Miss Sarah Leverette, Law Librarian  
University of South Carolina  
Columbia, S. C.

Dear Sarah:

I am sorry that I am not going to be a bit of help to you about membership news. The only thing that I can think of is that we are going to have a meeting here in Chapel Hill and you have probably already put that into the report.

I appreciate your kind words about the meeting. I certainly do hope that we have some kind of attendance but at this point my main interest is in getting someone else elected as President so that I can stop worrying about the whole thing.

I have been thinking about the possibility of coming down to Columbia since it is clear that you have no intention of coming up to Chapel Hill. Might even fly down for the weekend - business of course! What would you think if you got word that you might have a weekend guest about the 11th of March? Nothing like inviting myself eh?

Give my regards to Jean and Georgia. Hope to see you all soon.

Sincerely

Mary W. Oliver
